

Welcome to the **Tula's Restaurant**. Let us take you into a Culinary Journey and discover the world with our menu and wine selection. We have created a wine list mostly from the California regions, with short Stops in Oregon, France, Italy, Argentina, New Zealand, and South Africa. We have selected a variety of grape types to suit our California theme with a Mediterranean flair cuisine. Through the list there are some fantastic, wines from both individual family boutique producers to large winemaking companies. They all are matching various dishes of our menus. We are also great believers in "Drink what you like, when you like." Wine is all part of the occasion of dining out; the more you enjoy what we have to offer at Tula's Restaurant the better the wine will taste, so happy choosing and have a great meal. **Bon Appetit!**
