Because Some Perks Don't Fit in the Minibar

With school FINALLY out and summer vacation in full swing, we've rounded up a few of our favorite new kid-related hotel amenities. Pint-sized polo lessons anyone?

For those planning to hit **Universal Studios in Los Angeles** this summer, the **Beverly Garland Holiday Inn** recently introduced their Dive In Movie program. The program, which started over Memorial Day weekend and will continue through Labor Day, lets guests enjoy a family-friendly movie on weekend nights in the newly revamped pool area. Basically, picture adults unwinding over summery cocktails on a balmy **California** night while the kids play in the pool and everyone enjoys the movie. Also, the Beverly Garland just introduced five new KidsSuites: Specially designed for families, the suites include a partitioned kids section that's equipped with bunk beds and a flat-screen TV with video games and a DVD/CD player.
